SUMMARY OF MINUTES

1. **Roll Call** Meeting was called to order at 10:10 a.m. Sharon Chadwick, Sandee Brooke, and Carlos Lozano were in attendance. A quorum was present.
2. **Introductions** Introductions were made. No action taken.
3. **Approval of Legal Action Report and Summary of Minutes from January 17, 2015, and January 30, 2015 meetings of Transportation Subcommittee**
The Legal Action Reports and minutes were approved unanimously by voice vote.
4. **How to preserve historic buildings in the Broadway corridor**
Discussion was held with members of the Broadway Coalition. Laura Tabili expressed concerns that SHPO was apparently unaware of the number of historic buildings facing demolition if the current alignment is approved. Margo Garcia demonstrated how all but two (2) historic buildings could be saved through a combination of creative parking solutions, narrower sidewalks, narrower medians, and shifting lanes to the north & south. A motion was made by Sandee Brooke to ensure that upcoming corridor alignment designs be reviewed by T-PCHC Plans Review Subcommittee, and subsequently be brought to the full Commission for discussion, during the public comment period, prior to submittal to Mayor & Council. Motion seconded by Carlos Lozano. Discussion was held, and the motion passed unanimously by voice vote.
5. **Call to the Audience** Maureen MacDonald expressed concerns that the Broadway project's probable future use of Federal funding for Bus Rapid Transit makes it a Federal undertaking that should trigger Section 106 review.
